

Northern Rivers Solar bulk buy pricing

We are offering three ranges of systems. All of these include high quality tier 1 panels and quality inverters backed by local service agents. Installation has a seven year warranty.

The three ranges offer quality systems for different budgets with principal variations being around place of manufacture, output per square metre and technological innovations such as split cells which offer lower loss . All inverters can be coupled with batteries.

1. STANDARD SYSTEM (mid-price)

Opal Solar 260W solar panels and Fronius or SMA inverter

System size kW	STC rebate	Retail Price	Bulk Buy Price	% Discount
2.08 (8 panels)	\$1520	\$4421	\$3413	23%
3.12 (12 panels)	\$2280	\$5387	\$4126	23%
4.16 (16 panels)	\$3040	\$6659	\$5140	23%
5.2 (20 panels)	\$3800	\$7797	\$5994	23%
6.24 (24 panels)	\$4560	\$9363	\$7227	23%
10.14 (39 panels)	\$7448	\$15825	\$12216	23%

2. PREMIUM SYSTEM (high end)

REC 280W solar panels and Fronius or SMA inverter

System size kW	STC	Retail Price	Bulk Buy Price	% Discount
1.96 (7 panels)	\$1406	\$4580	\$3664	20%
3.08 (11 panels)	\$2242	\$5721	\$4683	20%
4.2 (15 panels)	\$3078	\$7213	\$5770	20%
5.04 (18 panels)	\$3686	\$8660	\$6983	20%
6.16 (22 panels)	\$4522	\$9998	\$7998	20%
10.08 (36 panels)	\$7410	\$17852	\$14282	20%

3. ECONOMY SYSTEM (budget system using quality SMA inverter made in China)

Opal Solar 260W solar panels and Zever Solar inverter

System size kW	STC rebate	Retail Price	Bulk Buy Price	% Discount
2.08 (8 panels)	\$1520	\$3442	\$2434	29%
3.12 (12 panels)	\$2280	\$4537	\$3276	28%
4.16 (16 panels)	\$3040	\$5680	\$4161	27%
5.2 (20 panels)	\$3800	\$6770	\$4967	27%
10.14 (39 panels)	\$7448	\$14,784	\$11,175	24%

Retail and Bulk buy prices include GST and the STC discount.

Prices subject to foreign exchange rate for the AUD to USD being above 74 cents at the time of order. Small Scale Technology certificates (STC) being at or above \$38 at time of installation.

Metering to be charged separately. Estimated prices; Single phase net meter, \$450. 3 phase net meter, \$690.

7-year installation warranty.

Battery

LG Resu 6.4kWh Gen 1 Lithium ion battery with installation (not including inverter) \$6799

LG Resu 6.5kWh Gen 2 Lithium ion battery with installation (not including inverter) \$8479

LG Resu 9.8kWh Gen 2 Lithium ion battery with installation (not including inverter) \$9999

Tesla Powerwall 2 13.8kWh Lithium Ion battery with installation starting from \$10,000 (TBC)

Sonnen Lithium Iron Phosphate \$POA

Enphase Lithium Iron Phosphate \$POA

Reposit

Single phase \$899

Three phase \$1150
